Please note: Council welcomes the comments and input of the public during Council Meetings. In order to provide an orderly fashion in which all interested parties have an opportunity to address Council, Council has adopted the following procedure for citizen's comments during any portion of the Council Meeting or Public Hearing.

Any citizen who wishes to address Council should state their name, address and then their comments. Speakers should not approach Council Members without first obtaining permission. After completion of their comments, Council would request that the speakers return to their seat so that any other interested persons could then be recognized and address Council.

The purpose of this procedure is to afford the maximum opportunity for citizen input without any type of disruption of the Council proceedings. While others are addressing Council from the podium, Council requests that audience members not make comments to Council or to other individuals to prevent any potential confusion or disruption.

Brookville City Council
Regular Meeting
January 4, 2022

The Regular Meeting of the Brookville City Council was called to order by Mayor Letner at 7:30 p.m. on January 4, 2022. The meeting was held in the City Council Chambers and virtually using the Cisco WebEx application. The Pledge of Allegiance was recited. Members Crane, Schreier, Requarth, Wilder and Zimmerlin; Manager Keaton, Finance Director Brandt, Law Director Stephan, Fire Chief Fletcher, Police Chief Jerome and Clerk Duncan were present. Member Fowler was absent.

Roll Call by Clerk Duncan.

Law Director Stephan administered the Oath of Office to Council Members Requarth, Schreier, Wilder and Zimmerlin, who were each elected to new terms beginning January 1, 2022.

Motion by Zimmerlin, second by Wilder to adopt the Agenda as presented. All yeas, motion carried.

Motion by Schreier, second by Requarth to appoint Member Zimmerlin to serve as Vice Mayor in 2022. Crane yea, Zimmerlin abstained, Schreier yea, Wilder yea, Requarth yea, Letner yea. Motion carried with five yeas and one abstention.

Motion by Zimmerlin, second by Requarth to appoint Member Schreier as a member of Planning Commission. Zimmerlin yea, Schreier abstained, Wilder yea, Requarth yea, Crane yea, Letner yea. Motion carried with five yeas and one abstention.

Motion by Requarth, second by Zimmerlin to approve the December 21, 2021 Regular Meeting Minutes. All yeas, motion carried.

Manager Keaton reported she received word last week that we were not approved for the federal Small, Rural, and Tribal Body-Worn Camera Program that we applied for in August, but we have been added to the program waitlist. To date, we have not received word on the State Body-Worn Camera grant that we applied for.

Member Schreier asked how the wait list works?

Manager Keaton replied the waitlist is if a recipient decides not to do the program, or if additional funds are added.

Member Zimmerlin asked what the time frame is for the State grant?

Manager Keaton replied she thought we would have an answer about both grants around the same time, but she has not heard anything yet.

Manager Keaton reported Brumbaugh Construction is scheduled to mobilize for the Hay Avenue Project in late January, early February.

Manager Keaton reported we will begin advertising for bids later this week for construction of the Sludge Press Building. A Pre-Bid Meeting is scheduled for January 18 and the Bid opening is scheduled for January 25.

Manager Keaton advised proposed Resolution No. 22-01 authorizes the City Manager to execute the Multi-Agency Radio Communication System Agreement. Manager Keaton advised she provided Council with an explanation as to why we are moving from a Tier 2 customer to a Tier 1 customer with MARCS.

Manager Keaton advised proposed Resolution No. 22-03 authorizes the City of Brookville to enter into a revised Agreement with Montgomery County to provide Emergency Preparedness,

Homeland Security and Emergency Management Services. The original Agreement with Montgomery County was adopted in 2004 and this Agreement was revised to ensure it is compliant with O.R.C. Section 5502.

Manager Keaton reported Mayor Letner is serving on the Emergency Management Executive Committee for 2021-2022.

Member Requarth asked where the upcoming project on Hay Avenue is located?

Manager Keaton replied it will be between Wolf Creek Street and Mulberry Street. Hay Avenue will be closed during the day but open in the evenings.

Finance Director Brandt presented the December 31, 2021 Fund Balance for Council review and approval.

Motion by Zimmerlin, second by Wilder to accept the December 31, 2021 Fund Balance as presented. All yeas, motion carried.

Fire Chief Fletcher reported he does not have an Operations Report yet with the record management system changeover. The legacy data will eventually be available but he cannot access that information yet. Overall, the Fire Department responded to seven more calls in 2021 than in 2020.

Fire Chief Fletcher reported the current COVID variant is extremely contagious and dominates everything that they do. Almost every other call recently has been COVID related. Fire Chief Fletcher stated he is wearing a mask tonight, despite being vaccinated and having his booster shot, as he does not want to be infected or infect someone else if he is unknowingly a carrier. Fire Chief Fletcher commented despite taking all the necessary precautions, he currently has six or seven staff members out with COVID related illness.

Fire Chief Fletcher reported the Fire Department responded to a structure fire on New Year's Day and were able to contain it very quickly, with no injuries.

Fire Chief Fletcher reported crews are installing tools and equipment on the new acquired engine and will start driver and operator training in January. The engine will go to the shop to be marked in February and the ladder truck will go to the body shop next week, provided he receives prior approval of the proper requisitions and purchase orders.

Member Requarth asked if all the alerts he received on New Year's Day around 5:00 p.m. happened at once?

Fire Chief Fletcher replied there was a computer glitch with Microsoft servers changing the date over to the new year. The info from all calls from a 20+ hour period was sent out at once.

Police Chief Jerome reported the Police Department responded to 695 incidents in 2021, which was 24 less than 2020. Citations were up 186 from last year and traffic stops were down 17 from last year.

Police Chief Jerome reported the cold weather has slowed things down a bit. The Police Department is using the time to get new people trained.

Police Chief Jerome reported they wrapped up their Christmas program and adopted seven families with the help of the school nurses. They were able to donate over \$900 to the food pantries and surprised random IGA patrons by paying for their groceries. Police Chief Jerome reported we were blessed to have three very generous donors this year that made this possible. Ritter and Pak-Rite, including their employees, along with Thrush and Sons, donated almost \$4,000.

Police Chief Jerome stated he looks forward to a reduction in crime and a healthy staff in 2022.

Law Director Stephan reported General Motors, LLC had an option to purchase 53.567 acres on W. Campus in the Brookville Retail & Industrial Campus adjacent to the 74.529-acre parcel where General Motors constructed the DMAX facility. Planning Commission and City Council approved a rezoning of this 53.567 property to 1-2 from HS and approved a new subdivision plat for this property in 2021. Law Director Stephan stated he has been advised that General Motors did complete the purchase of this 53.567-acre property in December of 2021. The City has not received any plans for the use of this property, but it is promising that General Motors has made this investment in additional land in the City of Brookville.

Mayor Letner reported the Citizen of the Month Award will be presented at the next meeting as the recipient's family was unable to attend tonight's meeting.

Mayor Letner invited everyone to attend the Community Prayer Breakfast on January 13 at 7:30 a.m. The breakfast will be held at the Brookville School Board Office at 75 June Place.

Motion by Zimmerlin, second by Schreier to read proposed Resolution No. 21-35. All yeas, motion carried.

Motion by Requarth, second by Wilder to accept the second reading of proposed Resolution No. 21-35. All yeas, motion carried.

Motion by Zimmerlin, second by Schreier to read proposed Resolution No. 22-01. All yeas, motion carried.

Motion by Requarth, second by Schreier to accept the first reading, dispense with the second and third reading and adopt Resolution No. 22-01 entitled "A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE THE MULTI-AGENCY RADIO COMMUNICATION SYSTEM (MARCS) SERVICE AGREEMENT WITH THE OHIO DEPARTMENT OF ADMINISTRATIVE SERVICES, OFFICE OF INFORMATION TECHNOLOGY AND DECLARING IT AN EMERGENCY." All yeas, motion carried.

Motion by Zimmerlin, second by Wilder to read proposed Resolution No. 22-02. All yeas, motion carried.

Motion by Zimmerlin second by Wilder to accept the first reading of proposed Resolution No. 22-02. All yeas, motion carried.

Motion by Zimmerlin, second by Requarth to read proposed Resolution No. 22-03. All yeas, motion carried.

Motion by Zimmerlin, second by Schreier to accept the first reading, dispense with the second and third reading and adopt Resolution No. 22-03 entitled "A RESOLUTION AUTHORIZING A REVISED AGREEMENT WITH MONTGOMERY COUNTY TO PROVIDE EMERGENCY PREPAREDNESS, HOMELAND SECURITY AND EMERGENCY MANAGEMENT SERVICES FOR THE CITY OF BROOKVILLE, OHIO AND DECLARING IT AN EMERGENCY." All yeas, motion carried.

Member Schreier, Planning Commission Liaison, had no report.

Motion by Zimmerlin, second by Wilder to adjourn. All yeas, motion carried.

RE: Manager's Report
Date: 1/14/2022

Work will begin soon on the removal of the fallen tree debris, adjacent to our WWTP, from the 2019 Memorial Day tornado. Solicited bids are due January 20, and once awarded by the U.S. Department of Agriculture, Natural Resources Conservation, work can begin. The tentative completion date is mid-March.

Brumbaugh Construction target date to start on the Hay Avenue Reconstruction Project is January 31, 2022, weather permitting.

A 30-HP Flygt submersible pump in the influent pump station at the WWTP was recently damaged. The cost to repair the pump is \$13,293.61.

Received notification from the City of Dayton Water Department of our 2022 water rates. The 2022 base charge will be \$35,968.02/qtr. and the volume charge will be \$22.49/1,000 cubic feet of consumption. These rates will be effective with the first quarter billing of 2022. The 2022 rates are based upon 2020 actual expenditures.

The Safe Routes to School Project bid opening was held on January 13, 2022. The bids came in higher than the State Estimate of \$269,000. Based on the apparent low bidder, the City will owe an additional \$29,480 if awarded. ODOT District 7 office needs to know by January 19 if the City is willing to pay the additional amount within 30 days after award. The total cost of the project was approved in 2019 for \$336,342.40. To date, the City has paid \$36,075 for Right-of-Way Acquisition Services, \$3,097 for temporary easements along the project, and \$58,316 in December due to an increase in the State Estimate.

Request Council approval to purchase a 2022 Police Explorer at a cost of \$33,797.73 through the State of Ohio Cooperative Purchasing Program. There will be additional costs once we take delivery of the vehicle to furnish and install the lighting/siren package, console, cage, window bars, plastic transport seat, striping and an in-car video camera system.

Request Council approval for an adjustment to the ambulance transportation fees for 2022. The Center for Medicare and Medicaid Services recently released The Ambulance Inflation Factor (AIF) for 2022 and approved a 5.1% fee increase for EMS Services. The rates would change as follows:

	<u>Current Rates</u>	<u>AIF of 5.1% Rates</u>
Mileage	\$ 13.82	\$ 14.52
Basic Life Support (BLS)	\$ 689.02	\$ 724.16
Advanced Life Support 1 (ALS1)	\$ 915.00	\$ 961.67
Advanced Life Support 2 (ALS2)	\$1164.49	\$1223.88

Over the last two weeks, the Service Department removed the damaged pump at the WWTP, assisted with the removal of Xmas decorations in Golden Gate Park, repaired a damaged fire hydrant on Clay Street and Brookmoor Drive, repaired a watermain break last Sunday on Madrid, removed a tree on Market Street, and installed snow emergency signs at all entrances into the city. Additional signs will be posted in neighborhoods where residents frequently park on the streets.

Memo

To: Mayor and Council

From: Michelle Brandt, Finance Director

Date: January 18, 2022

Subject: Finance Report

→ Requesting Council accept the following purchases:

- \$14,355.25 to ESO Solutions, Inc for the Fire Departments Records Management System
- \$21,034.36 to Software Solutions for our Accounting/Utility Software

→ Request Council approval for our membership with the Miami Valley Regional Planning Commission (MVRPC) for 2022, and to appoint Chuck Letner as a Member and City Manager, Sonja Keaton as Alternate to the MVRPC Board; and Rod Stephan as Member and Manager Keaton as Alternate to the Technical Advisory Committee for 2022. The dues are \$2,706.64 and are based on the 2010 census population figures and are computed at forty-six cents per capita. A copy of the 2020 Benefits Report for the City of Brookville is attached. This report show Brookville received a 116,700 or 26% return on investment.

→ Requesting Council approval to designate two of its members to sit on the Volunteer Firefighters' Dependents Fund for 2022. Members Letner and Wilder have indicated that they would like to serve as the legislative Board Members on this Fund for 2022.

→ Our Fire Station bonds required an Arbitrage Rebate calculation to be done to ensure that we owed no back taxes to the IRS on the interest we earned on our debt proceeds. Due to the complexity of this calculation, we contracted with Baker Tilly for this calculation and received their report back last week and were happy to find out that we owe \$0 to the IRS.

FROM THE DESK OF...
RONALD E. FLETCHER, OFE
DIRECTOR OF FIRE / FIRE CHIEF

January 10, 2022

TO: Mayor and City Council
CC: Sonja Keaton, City Manager
FROM: Ronald Fletcher, Fire Chief
REF: **Operations Report for December 2021**

The Brookville Fire Department completed another challenging year with **179 calls for service** for the month, bringing the total number of calls for service in 2021 to **1967**. This total represents **7 more** calls than one year ago, **11 less** than the five-year average, and **173 more** than the 10-year average.

Of those 1967 calls, there were **1650 EMS/Rescue** (83.9%) calls. Of those, 94.8% EMS calls and 5.2% were Rescue incidents, such as crashes. The balance of the calls equaled **317 Fire/Service** (16.1%) calls. These included everything from fire-related problems (15.5%) to dealing with hazards (15.1%) to alarms (27.1%) to weather, public assistance, and service-type calls (42.3%).

This report provides just a summary of the year. We are currently auditing all reports and compiling detailed information for the Annual Report.

Brookville Firefighters Megan Vaughn (left) and Craig Wilson use power saws to clear limbs from a tree that fell across Wolf Creek Pike after a powerful storm on December 11, 2021.

This tree originally blocked the road and damaged telecommunications lines. Crews were able to remove the hazard. There were several other locations, mostly in Perry Township, where trees fell into power lines and blocked roads.

At the Annual Christmas Dinner, more than twenty-six of our personnel were recognized for accomplishments in 2020 and 2021. One of the most significant was acknowledging Captain Mike Hensley (center, above), for more than 30 years of service to the Brookville FD. Captain Ferguson (left) and Captain Wolfe flank him. These are two of dozens of firefighters that Mike has had a positive influence on over his years of service.
