Law Director Stephan stated this proposed Ordinance would amend our General Business District code to permit Mixed Uses. There were some questions during the Public Hearing about which areas of the community this could apply to and whether there would be any government funding involved. Law Director Stephan stated he advised that this zoning decision has nothing to do with government funding and that the City does not intend to use government funding for these projects. There were also some questions about the density and Law Director Stephan stated he went over the potential density of single-family, two-family and multi-family uses.
