Please note: Council welcomes the comments and input of the public during Council Meetings. In order to provide an orderly fashion in which all interested parties have an opportunity to address Council, Council has adopted the following procedure for citizen's comments during any portion of the Council Meeting or Public Hearing.

Any citizen who wishes to address Council should state their name, address and then their comments. Speakers should not approach Council Members without first obtaining permission. After completion of their comments, Council would request that the speakers return to their seat so that any other interested persons could then be recognized and address Council.

The purpose of this procedure is to afford the maximum opportunity for citizen input without any type of disruption of the Council proceedings. While others are addressing Council from the podium, Council requests that audience members not make comments to Council or to other individuals to prevent any potential confusion or disruption.
